EVENT INFO

M.M.M...

The Midsouth Mini Masters is a charitable twist on a traditional golf tournament.

Instead of businesses sponsoring their own team, they are sponsoring a family from The Arc NWMS to team up and play on their behalf.

This creates an inclusive fundraiser for The Arc NWMS and hosts a family friendly environment for the Arc families to play in a mini golf tournament together.

TOURNAMENT RULES

Each team consists of 4 family members with at least one "self-advocate" mini-golfer per team.

Tournament Teams will play 18 holes of mini-golf using "Par is your friend rules".

If your team wins the tournament, your team and your company may compete again for no additional sponsorship the following year.
